	We will pay the application fee & tuition in full at time of registration unless previously arranged. We understand there are no refunds once our application has been accepted and full payment will be required.
	We will have a minimum of 172 days of study this school year. This can be attained from July 1 of the current year to June 30 of the next year.
	Home schooling means >50%. A 3rd party transcript for students enrolled in a publicly funded homeschool (concurrently enrolled students), must be provided from the 3rd party. ie. PPCC
	Our child's academic program will include reading, writing, speaking, math, history, civics, the Constitution of the United States, literature, and science at a grade appropriate level.
	We are responsible for the detailed records of our student's work and will submit Quarterly Progress Reports on the following dates: (October 10-1st quarter, January 15-2nd quarter, April 10-3rd quarter, July 10-4th quarter.)
	If a Quarterly Report is not received for 2 consecutive quarters, our child may be withdrawn. There is a \$25 reentry fee and all records need to be completed before reentry.
	We need to keep a copy of the confirmation email of each Quarterly Report for our own records.
	High School only---At the end of the year, a Completed Course of Study will need to be filled out for final verification. This allows for anything missed during the year to be caught and recorded.
	We will have our student in grades 3, 5, 7, 9, and 11 tested or evaluated and will submit results to HCCA. HCCA can waive testing in special circumstances. If you have questions about this, please contact us.
	We will change our information on the website at www.HCHE.org under "Change my Information", if our address, phone number, or email address changes during the school year.
	We will notify HCCA prior to transferring our children to another school or moving out of the area to determine our options with HCCA.
