

Spring 2018 - Registration Handbook Addendum

New Classes on Tuesday

Baseball Skill Building (Gr 7-12)

David Ragsdill (719-650-4896)

This class will cover building and enhancing the fundamental baseball skills of throwing, catching, pitching, hitting, and fielding while utilizing safe indoor alternatives (tennis and wiffle balls) to increase on-the-field performance. There will also be an emphasis on increasing fitness levels, flexibility, hand-eye coordination, and speed. Extracurricular outdoor practices (weather permitting) will be scheduled for students and their families to utilize new skills/abilities in real-game settings. All skill levels are welcome as each student's progress will be based on their individual starting point. This class would be applicable and helpful to softball players as well. Each student will be expected to complete five, twenty minute fitness and flexibility drills each week. In addition, one online fundamentals/mechanics enhancement video (links will be provided) is to be viewed weekly. A weekly journal will be submitted.

#7018 Tuesday, 10:00-10:55 AM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$12.00 for purchase of balls, bats, cones, copies (weekly journal)

Supplies: Baseball mitt, gym appropriate shoes

Spiritual Warfare Duct-Tape! (Gr 7-12)

David Ragsdill (719-650-4896)

Students will learn to create padded mock weapons and the skills needed for safe, simulated combat (protective gear required). In addition, students will explore what it means to be a warrior (noble) rather than a fighter (self-focused) as well as the tools and techniques to win spiritual battles. (Up to 2 hours homework weekly)

#6150 Tuesday, 9:00-9:55 AM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$20.00 for supplies

Supplies: None

Volleyball - Coed (Gr 9-12)

Mary Garcia (719-433-8758)

Volleyball is more than just a game. It teaches teamwork, good sportsmanship, communication, camaraderie, and dedication. This class is for beginner boys and girls as well as those with some volleyball experience who want to take their skills up a notch. If there is enough interest, outside volleyball game opportunities may be offered. (Approx. 1/2 hour of practice daily at home is recommended)

#7786 Tuesday, 11:00 AM-12:55 PM

Cost: \$120.00 HCSG member, \$130.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$5.00 for equipment, copies

Supplies: Indoor volleyball, knee pads

Worship Dance Interpretive (Gr 5-8)

Karis Clark (303-910-4636; forstaorn@yahoo.com)

This is a class to learn and grow in the wonders of God's beauty and love. Whatever level of dance students are at, this will be a time to step into the imagination and creativity of dance. The class will be learning group and solo worship dance and at the end of the semester will be putting on a performance for family and friends. Whether already enjoying dance or brand new, this class will be a loving introduction into the beautiful world of worship art.

#1032 Tuesday, 12:00-12:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: None

Supplies: Comfortable, stretchy clothes that can be moved around in. Ballet slippers are helpful but not required.

Young Entrepreneur (Gr 11-12)

Todd Anderson (719-238-5848)

This course will expose the student to several timeless business principles that have their roots in biblical wisdom. For students wondering what to do after High School and what their calling is, this class is for them. For students wondering if one can be a Christian and be a businessman or woman, this class is for them. This class will be taught by Todd Anderson who currently serves as President of Challenger Homes and Principal of Wild Hearts Academy (the name of the homeschool he and his wife formed to educate their four children). In addition to class work, each student will prepare a business plan for a real product or service that the student would like to market. Students will present this plan in front of a panel of qualified judges, similar to the reality show, Shark Tank. (Approx. 1 - 3 hours homework weekly)

#6935 Tuesday, 9:00-9:55 AM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: Pre-Algebra, ability to write and speak, ability to use Excel or other spreadsheets. Must be 15 years old by August 1, 2017.

Enrollment Restrictions: None

Class Fees: \$20.00 for materials, discussion guide, prizes

Supplies: Binder, folder, use of computer

New Classes on Wednesday

Apologia Zoology w/Lab-Land Animals (Gr 4-6)

Julie Ragsdill (719-650-4896)

Apologia is now for young explorers! This elementary-level science curriculum uses the Charlotte Mason methodology and Genesis 1:24-25 as a guide to give students an introduction to the incredible world of land animals- wild animals, livestock, and creatures that creep- from a creationist world view. Utilizing the accompanying projects, experiments, and notebooking journal; the class will become fully immersed in the subject matter, taking an in depth exploration while glorifying God as the Master Creator of all they are studying. Through-line activities include illustrating animals, mapping habitats, identifying creatures by their tracks, and even CREATING THEIR OWN ZOO. Each class session children will receive a plastic replica, correlating with the order of animal being studied, to add to their diorama. The lab portion of the class will include everything from candy camouflage to reconstructing rodent skeletons from owl pellets. "There are things about God that people cannot see- His eternal power and all the things that make Him God. But since the beginning of the world these things have been easy to understand by what God has made." Romans 1:20 [Instructor has been a Children's Pastor in the Church of the Nazarene and Wesleyan Church for twenty years and a homeschooling mom for ten.] TWO REQUIRED TEXTS: Apologia Young Explorer Series Exploring Creation with Zoology 3: Land Animals of the Sixth Day by Jeannie K. Fulbright, ISBN 978-1-932012-85-9 and Young Explorer Series JUNIOR Zoology 3 Notebooking Journal for Exploring Creation with Zoology 3: Land Animals of the Sixth Day by Jeannie K. Fulbright, ISBN 978-1-935495-62-8. Apologia Young Explorer Series Zoology courses stand alone and can be taken in any order; therefore, Zoology Three is open to every student and does not require one and/or two as a prerequisite. (Approx 2 - 4 hours of homework weekly)

#8018 Wednesday, 1:00-2:55 PM

Cost: \$120.00 HCSG member, \$130.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$20.00 for in-class activities, projects, and experiment supplies as well as the animal inserts for the zoo

Supplies: TWO REQUIRED TEXTS (please see Class Description.) Also, pencils, colored pencils, scissors, and glue sticks

I am a Scientist (Gr 1-3)

Tracy Novreske (417-818-1933)

Would you like to have fun with science? In this class, students will make unpopable bubbles, catapults and bouncy balls. Students will perform experiments such as: fitting through an index card or writing an invisible message. Students will learn the science behind all of the completed experiments.

#8012 Wednesday, 1:00-1:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$10.00 for supplies, copies

Supplies: None

Manipulating Math (Gr 4-6)

Kaylene Poppe (719-679-2047)

This is a hands-on class that uses manipulatives to create a fun way of learning. Students will explore different concepts each week to include multiplication, division, decimals, percent, fractions, averages, graphs, and measurements. This class will create games to challenge learning and divide into small groups and/or partners. Students must respect the manipulatives as shared items for learning. Students must be able to focus for short

#5506 Wednesday, 1:00-1:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: Knowledge of multiplication tables

Enrollment Restrictions: None

Class Fees: \$10.00 for games, manipulatives, copies

Supplies: Bring pencils, erasers, scrap paper or a notebook of paper

Piano Composition (Gr 8-12)

Susan Vella (719-246-6409)

Any piano player can learn to compose their own songs. It just takes some basic composition knowledge, a few tricks, and some creativity. Each student will compose a "theme line" for their own, unique song. Students will learn "tricks of the trade" for basic song composition. By the end of the semester each student will have composed their own song and have the skills to create even more. (Approx. 1-2 hours homework weekly)

#1302 Wednesday, 12:00-12:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: Intermediate and up piano skills

Enrollment Restrictions: None

Class Fees: None

Supplies: A keyboard (88 keys or less) and headphones for class. If your keyboard does not have a place to plug in headphones, that is OK. A book of blank staff paper, any brand.

Piano for the Older Beginner (Gr 7-12)

Susan Vella (719-246-6409)

It's never too late to learn to play an instrument. This class is designed to make newcomers to piano feel comfortable starting with the basics along with others in their same age bracket. They'll learn the notes, some theory, and a little music history. By the end of the semester students will be able to play a few new songs they can be proud of. (Approx. 30 minutes homework daily)

#1301 Wednesday, 1:00-1:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: None

Supplies: A keyboard (88 keys or less) and headphones for class. If your keyboard does not have a place to plug in headphones, that is OK. Piano Book (Adult All-In-One Course: Lesson-Theory-Technic: Level 1 by Willard A. Palmer) may be found on Amazon or local music stores

Piano for the Young Beginner (Gr 3-6)

Susan Vella (719-246-6409)

Welcome. It can be a lot of work, but also a whole lot of fun to learn to play the piano. Even being able to pluck out a simple tune can be very satisfying. The class will be paced accordingly. Students who have completed a keyboard exercise will have opportunities to help others who are still working at it. Teaching a skill to another is often the best way to master the skill. By the end of the semester students will be able to play a few simple songs. (Approx. 20 minutes homework daily)

#1300 Wednesday, 2:00-2:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: None

Supplies: A keyboard (88 keys or less) and headphones for class. If your keyboard does not have a place to plug in headphones, that is OK. Piano Book (Hal Leonard Piano for Kids: A Beginner's Guide with Step-by-Step Instructions, Hal Leonard Piano Method Paperback June 1, 2016) found on Amazon or at local stores around \$12.

Shaping Up (Gr K-2)

Tracy Novreske (417-818-1933)

Let's shape up your shape knowledge. Students will dive into 2D and 3D shapes and will learn to name and identify 2D and 3D shapes. Students will learn about symmetry, congruence, polygons and quadrilaterals. Every class will mix learning, play and crafting with shapes.

#5000 Wednesday, 2:00-2:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$8.00 for supplies, copies

Supplies: None

Changes and Clarification to Classes - Yellow Highlight Indicates Clarification/Change

Lego Engineering (Gr 3-5)

Lauren Woolf (951-795-1468)

This class will be learning how 7 simple machines work and how they help humans. Levers, wedges, screws, pulleys, gears, inclined planes, and wheel-and-axles will all be covered in the class. Students will be challenged to: identify simple machines in everyday objects, identify simple machines within complex machines and choose appropriate simple machines to solve a mechanical problem, and engineer and create a project that will utilize at least 3 of the simple machines that students learned about. **Parents have an option to buy a Lego kit for class fee of \$90 or rent a kit for a fee of \$30**

#8150 Tuesday, 11:00-11:55 AM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$90.00 for the purchase of Lego kit and supplies OR \$30 to rent a Lego kit and supplies.

Supplies: None

Manipulating Math (Gr 4-6)

Kaylene Poppe (719-679-2047)

This is a hands-on class that uses manipulatives to create a fun way of learning. **Students will explore different concepts each week to include multiplication, division, decimals, percent, fractions, averages, graphs, and measurements.** This class will create games to challenge learning and divide into small groups and/or partners. Students must respect the manipulatives as shared items for learning.

Students must be able to focus for short periods of time.

#5506 Wednesday, 1:00-1:55 PM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: **Knowledge of multiplication tables**

Enrollment Restrictions: None

Class Fees: \$10.00 for games, manipulatives, copies

Supplies: Bring pencils, erasers, scrap paper or a notebook of paper

Spiritual Warfare Duct-Tape! (Gr 7-12)

David Ragsdill (719-650-4896)

Students will learn to create padded mock weapons and the skills needed for safe, simulated combat (protective gear required). In addition, students will explore what it means to be a warrior (noble) rather than a fighter (self-focused) as well as the tools and techniques to win spiritual battles. (Up to 2 hours homework weekly)

#6150 Tuesday, 9:00-9:55 AM

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$20.00 for supplies

Supplies: None

S.T.E.A.M.

Stefanie Simpson (720-985-6896)

This class encompasses Science, Technology, Engineering, Art and Math. The class will be incorporating all of these in hands-on engineering activities and experiments and discuss the science and math behind each one.

#8090 Tuesday, 9:00-9:55 AM (Gr K-2)

#8091 Tuesday, 10:00-10:55 AM (Gr 3-5)

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$23.00 for a variety of materials needed for engineering/science activities

Supplies: None

Trip Around the World III

Crystal Overstreet (719-432-9785)

For this class, the book "Trip Around The World" will be used to give the students the chance to explore life in Puerto Rico, Guatemala, Cuba, Peru, Chile, Spain, United Kingdom, Norway, Iraq, Afghanistan, Ghana, and Morocco. Basic information about each country will contain area, population, and flag descriptions. The students in this class will have a chance to learn words in the country of the week, try tasty recipes, play exciting games, learn fun facts, use the map to find where in the world each country lies, and make a craft. In this class scissors will be used weekly along with other fine motor skills. Food will also be served on a weekly basis. *Parents will need to provide the teacher with any food/allergy concerns.*

#3600 Tuesday, 12:00-12:55 PM (Gr K-3)

#3601 Tuesday, 2:00-2:55 PM (Gr 3-5)

Cost: \$60.00 HCSG member, \$65.00 non-member

Prerequisite: None

Enrollment Restrictions: None

Class Fees: \$15.00 for food, craft supplies, prizes

Supplies: Markers, scissors, glue stick

Cancelled Classes
