Special Announcements

"The LORD bless you and keep you; the LORD make his face shine upon you and be gracious to you; the LORD turn his face toward you and give you peace."

(Numbers 6:24-26, NIV Bible)

The HCEC staff is praying you will have a blessed and restful summer break. We look forward to seeing you again this fall!

FAMILY FILES

Please check your family file and remove any remaining items before you leave for the semester break. All items except photo I.D.s will be discarded before the Fall 2018 semester begins.

What a blessing it has been for the HCEC staff to serve the families of High Country this semester. Each family was handpicked by God to be a vital presence in the midst of HCEC this semester and each added their own uniqueness and beauty to the tapestry of love and grace that makes up the ministry that is HCEC. You each make HCEC distinctive and special. Thank-you for attending classes and serving one another. You continued to paint a very beautiful picture of the body of Christ this semester! We are deeply thankful and appreciative of your presence during enrichment this past spring, and look forward to seeing you again next fall!

Have a blessed and restful Summer Break!!

DO YOU...

Feel a little tug in your heart for elementary-age children? If so, please consider teaching our younger students. We are currently putting together our class schedule for Fall 2018 and are looking for elementary classes to round out the schedule.

If you are interested, please contact Erica Danielson at ECClassDirector@hche.org.

ATTENTION TEACHERS

If you will be returning to teach the same class and would like to keep your Emergency Lesson Plan as is for the fall, you can leave your lesson plans in the bins over break. If not, please pick up your lesson plans prior to the end of the semester. The pink bins are in the hall by guest services.

ADDITIONAL CLASSES

There may be classes added after the Registration Handbook is printed. Be sure to check the Registration Handbook Addendum in your email inbox or at www.HCHE.org for newly listed classes before registration in August!

TEACHER EXCEPTIONS

In order to enroll a student in a class outside the grade/age range posted in the class description, a **Teacher Exception** is required. Please contact the teacher to discuss your child's circumstances and request an Exception **prior to your registration appointment**. The form or a written note from the teacher will be necessary during the enrollment process. No verbal authorizations will be accepted. Please keep this in mind as you plan your schedule next semester.

What Do I Do With Family Security Badges at Semester End

Hello Dear Families!

Wow! We are about to come to the end of this semester. As you know, we started a new Security Badge policy in cooperation with New Life Church this year. If you are returning in the Fall, we would love for you to leave your family badges in your family folder over the summer. They will be there when you come back in the Fall. However, if you will not be returning, please turn your family badges in to Guest Services when you are headed out on Week 12. Thank you all so very much for making this a great year!

SPRING 2018 PAYMENTS

Families, please be aware that payments for Spring 2018 classes are now past due. Please keep in mind that according to HCEC's financial policy, families who have a balance due from prior semesters will not be able to register for Fall 2018 classes. We want to give every opportunity for families to register this August so please contact the Finance Department at ECFinance@hche.org if you have a question about your balance.

DID YOU KNOW...

That we need you! Did you know that in order for High Country to run smoothly we need all the help we can get! We are in need of several Coordinators. These jobs have many benefits. Some are a little extra money put toward the classes for your children, you will learn many new skills to take with you when you leave HC, and the fact that you are part of an amazing team. Please consider looking into serving. Stop by the Guest Services desk for more information.

OPEN HCEC LEADERSHIP POSITIONS

Would you like to serve at High Country? Do you have a heart for ministering to other homeschoolers? Then c'mon and join our team! Living in a military community, we often have Military Transfers. Sadly, we are saying goodbye to a few at the end of this semester and will miss these ladies tremendously! We are currently looking to fill the following positions:

Registrar: If you enjoy one-on-one interaction with people, have a heart for ministry, are detail oriented, and have some supervising/management skills, this may be the job for you. The main responsibility of the Registrar is to oversee, coordinate, and process all registrations; including preparations for Registration, managing the smooth operation of all Registration days, low enrollment, form processing, and more. Other responsibilities are supervising and training two assistants, coordinating and communicating with other staff, updating the registration portion of the webpage, and helping with Class Activation Meetings during Week 8. It is challenging but rewarding. You get to meet every family and help them through the Registration process.

Administrative Assistant: Do you have an interest in learning how to create and publish informational brochures or other documents? We can teach you! You will learn how to proof, edit and create documents. It's fun and easy to learn! We like to make sure our families are well informed. The Administrative Assistant makes that happen by working with other staff members to produce email announcements, this Bulletin, and the Registration Handbook. All of this only takes an average of 10 hours per week and is pretty much done from home. Let us help you learn skills you can market or just enjoy for yourself!
