

Dear Prospective Vital Partners (VP's) and Ministry Volunteers,

**Thank you** for your interest in joining this valuable team supporting High Country Enrichment Classes (HCEC). The heart and purpose of HCEC is to graciously promote a safe environment that will facilitate the ministry of HCEC to a very diverse population of students of various ages and differing abilities, parents, siblings and staff.

VP's and Volunteers provide practical support in every area of HCEC. Some of these positions may offer guidance in an emergency, promote good stewardship of the New Life campus, equipment and policies, assist teachers in the classroom, care for our littlest ones, maintain a valuable prayer covering, serve hot meals to nourish body and soul, or act as a point of contact for those needing assistance.

All VP's and Volunteers should approach their various positions as *ministers* to the children, staff and adults present. As you minister to those you are serving, please thoughtfully and graciously demonstrate your authority wrapped in humility just as Jesus demonstrated how we should serve one another. Please look for opportunities to pray peace and blessings over HCEC. Offer praise, encourage good behavior and promote godly character even in the midst of gently redirecting those who have strayed from appropriate conduct.

"We always thank God for all of you and continually mention you in our prayers. We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ."  
~1 Thessalonians 1:2-3 (NIV)

If you have any questions or concerns please feel free to contact me in person at HCEC or by email at [ECOperationsDirector@hche.org](mailto:ECOperationsDirector@hche.org).

Blessings,  
**Nikki Rainey**  
**HCEC Operations Director**
