

The High Country Home Educators' Graduation is just around the corner! On **Saturday, May 8, 2010** we will be serving a class of 37 graduates and their families. The 2010 Graduation Team would like to invite you to participate with us in facilitating this year's graduation. Volunteers of many ages and talents are needed to create a wonderful time of celebration and memory for our grads.

The attached form provides you with information concerning the different areas in which your family can serve the current graduating class and their families. Serving can be done on Graduation Day, before hand at home, and at the Junior & Senior Banquet on **Friday, April 16, 2010**. Your willingness to serve in any area will bless the grads, their families, and you.
